## The quest for a sustainable world: what role for Europe?

### Citizen action and education for change

The sustainable development environmental questions have, from now on, the high-priority position in the modern society, national governments, European institutions and international organisations. The participants coming from all over Europe and beyond will debate about changings and transition processes necessary to achieve with main objective to reflect together how to establish scenarios and proposals enabling each other to become an actor in this field.

**SAVE THE DATE ★ 4 - 11 JULY 2020**

### CONTENT:

- “ The Cluny method”: development of collective intelligence
- Interdisciplinary and multilingualism
- Innovative methods of co-construction - sharing and exchanging
- Conferences, trainings, working groups

### LEARNING OBJECTIVES:

- Testing innovative working methods
- Developing critical sense of thinking
- Analysing, comparing, evaluating
- Developing innovative solutions

### ABOUT THE SUMMER WORKSHOP:

During 7 days in July, the summer workshop offers an unique opportunity for the participants from all over the Europe and beyond, to share their opinions, ideas and point of view about Europe and its challenges. This year we will deal with environmental and sustainable development issues. In this context the European College of Cluny Summer Workshop rely on 18 years' experience where more than 800 young citizens were already welcomed.

The European College of Cluny is a place for training, research and reflection on local public action, viewed from a European perspective and driven by the spirit of innovation. It is based on the principles of academic excellence, European openness, multidisciplinary and comparative approaches towards issues of local action across Europe.

# The quest for a sustainable world: what role for Europe?

## Citizen action and education for change

Citizens all over the world, through all generations, are in the streets to demonstrate the will to change something for the future of our planet. These are the questions on which that the European College of Cluny invites you to reflect during its 2020 summer seminar.

**SAVE THE DATE ★ 4 - 11 JULY 2020**

### WORKING LANGUAGES

Communication is essentially bilingual, but for certain parts of the programme French or English will be used more frequently. The understanding of both languages is necessary and for that reason a minimum level of B2 in French or in English is expected (minimum B1 for the other language). By immersing yourself in the 7 days' workshop, you will be able to improve your communication skills in both languages. Nevertheless, be aware that the workshop is not a language class!

French and English

### HOW TO APPLY

Upload your application online to [www.collegecluny.eu](http://www.collegecluny.eu) including:

- A cover letter
- A CV

Background: Apart from language skills, no other academic or professional qualifications are required. We explicitly encourage participants from various fields to apply.
