

STEP BY STEP – REGISTRATION TO THE MAS “Transitions and Innovations in European Territories”

Start by accessing the following webpage (Student’s page of the University of Bologna): it is necessary to create a student account in order to select any course you may want to enroll in.

www.unibo.it/Portale/Guida/StudentiOnline
www.unibo.it/Portale/Guida/StudentiOnline
[nline](http://www.unibo.it/Portale/Guida/StudentiOnline)

- 1) STUDENTI ONLINE → studenti on line service
- 2) “If you have not yet registered” → REGISTER (3rd option)
- 3) International students → International students registration
- 4) Fill in all your personal data. By the end of the procedure, you should receive your login credentials.
- 5) Back to Studenti Online access page, click on LOGIN
- 6) Click on “ENTRA CON UNIBO” and put the credentials you received.
- 7) In the home page of Studenti Online, once logged in, click on “Admission Application” (the first option).
- 8) Then choose “second level professional master’s degree”
- 9) Choose the master “transitions and innovations in European Territories: Environment And Post-Anthropocene Landscapes” (currently there is an error in the website, as it is listed in “Bologna campus”).
- 10) Complete with qualifications and ID details in the last page.
